BE THE CHANGE

About **CVRU** Khandwa

Dr. C.V. Raman University (Khandwa) is the fifth university under the AISECT Group of Universities and is located in the Nimar region of Madhya Pradesh (Khandwa). CVRU Khandwa has an exceptional infrastructure, highly skilled faculties and experienced trainers with good industrial background to provide the precise knowledge and skills to the students. Dr. C.V. Raman University (Khandwa) provides AISECT-NSDC partnership and certification along with online placement support by Rojgar Mantra.

From the Desk of The Chancellor

AISECT Group of Universities is one of the leading higher education groups in India with a good history of providing skill based quality education along with better placement opportunities and entrepreneurial options. There are multiple numbers of courses offered at Dr. C.V. Raman University (Khandwa), and through our value based education we make our students responsive to social issues.

Best wishes,
Shri Santosh K. Choubey
Chancellor,
Dr. C.V. Raman University, Khandwa

A Note From the Vice Chancellor

AISECT, the parent body of Dr. C.V. Raman University (Khandwa), is well known for its skill based education at national level. The teaching and learning methodology is slightly different at Dr. C.V. Raman University (Khandwa) as compared to other education groups. There are many skill academies functioning under the teaching department, who guarantee skill delivery with much importance given to hands on expertise.

Dr. Arun Joshi
Vice-Chancellor,
Dr. C.V. Raman University, Khandwa

HAPPY HARDA

Dr. CV Raman University, Khandwa have come forward to act as knowledge and technology support partners, developing social and economical resilient community with the spirit of "HAPPY HARDA" (Healthy, Agriculture, Progressive, and Prosperous Youth) in the Harda district.

AIC-RNTU, Bhopal and CVRU, Khandwa have partnered with NVRDFT - a rural development trust based in the Harda district of Madhya Pradesh - to bring a paradigm shift for Harda's youth, who have inherited its natural resources. The purpose is to hold hands with the youth to guide them in becoming self-sufficient agricultural entrepreneurs.

Placement Support

POWERED BY

As a shaper of tomorrow's leaders, our job does not end at imparting knowledge and skills. Along with the best of higher education, we also take all our students under our wings and prepare them for the professional career they seek. Our placement department undertakes technical and soft skills training to turn students into promising professionals of tomorrow.

Placement and Training Cell

AISECT, a 39-year-old organization, is known for being a reliable trainer and supplier of smart and skilled professionals to various industries. Being one of the leading educational groups in the country, we have close associations with top management and IT companies and this gives our students a plethora of options to choose for their summer training and on-campus placement.

Recognition

The University is recognized under Section 2(f) of the UGC Act.
